RAMS FAMILY

PRESIDENTS REPORT

My first year as President has been a source of great pride, satisfaction, and appreciation, I welcome the opportunity to reflect on the past year and share that with you. 2020 certainly provided plenty of challenges for all of us and NBC was no exception. As we waded through the uncertainty of whether we would have a season at all, I was in awe of the way everyone got around the club and made it all happen once we got going. Despite not being able to hold junior Come & Try days, a shortened pre-season, less games, minimal access to our club rooms and uncertainty around income, the Rams Family got together like never before to make it a very memorable season.

I would like to thank several people for their work behind the scenes and out front, to make it such a great summer. Thank you to the Committee of Management: Caron, Kevin, Brian, Combo and Aspy, thank you your tireless efforts. Caron your steady influence and moral compass goes far beyond the admin work done. Combo (& Ben Snr) for the in the work you did pre-season on projects. Kevin for your efforts managing the canteen, bar, as well as grant applications, all contributing important income in uncertain times. Brian your financial management has been critical through uncertain times and your guidance has been invaluable. Jared, Dean, Landy, Craig, and several others who have led our senior program, a great season for all teams. Jared, thank you for achieving what you set out to do on the back of our conversations 12 months earlier, those that know understand I am not talking about match results, NBC will be forever grateful. To Dale & Dale for your second year managing our sponsorship program, you backed in up in spades and set an amazing platform going forward. Thanks Dean & Aspy for also getting behind the sponsorship program and creating a great new home run fence and platform for future sponsors and income. Also for your work to create the Rams Blackdog fundraiser and t-shirts & caps Thank you to all those who put their hand up in some way to get our juniors on the field, whilst numbers were understandably slightly down, it still takes a lot of volunteer hours every week to make it happen with coaches, managers, scorers, parents & players. Thank you.

Following much work behind the scenes by Dean and Bronwyn, the Rams fielded two women's teams this summer. I was immensely proud to see the program come together and to meet the new members of the Rams family. Watching the teams play on Saturdays was very satisfying, but to see the level they all came together, the fun they had and the way they got involved in the club was really great. I am excited by the potential of this program going forward and the pathway it creates for young girls and women's baseball in the Western suburbs and of course at NBC. Thanks Dean & Bron.

Congratulations to all players for the past season, to those who won awards, were selected in representative teams getting to experience baseball beyond NBC. Special mention to Hammy and the Men's 3s who won the premiership and going undefeated all season, a special day to be part of. To our Men's 1s, we were so close after a great season, a credit to JB and no doubt a reflection on the new direction of our senior program, exciting times ahead.

When I started playing baseball at Newport, I was 8 years old and was driven to many games by my neighbour and first coach, Dave Malthouse. From there most of my life, my friendships and family has centred around NBC, so to be part of the Malthouse Field announcement was an incredible honour for me and a wonderful acknowledgement to a great family, and in particular to Dave and Barb. The day was a significant one in the history of NBC as we also presented Caron Condie with her Life Membership medal to acknowledge many years of work and commitment to NBC. I am sure that day (Heritage/Sponsors Day & Christmas Party) was as much a highlight for you as it was for me. Despite the challenging year behind us it was great to see such a huge crowd of proud Rams coming together to celebrate our great club and the friendships that flow from that.

This year sees two Committee members stepping down to make way for new people to get involved and continue their great work. Brian steps down as treasurer after 4 years working tirelessly behind the scenes in a critical role doing an amazing job. Brian thank you for your counsel on many issues, not just financial, you will be missed. Combo has been junior manager for 8 years and there would barely be a player at NBC that has not played under or been taught something by Combo, myself included. Combo the work you have done to get our junior program to where it is now, is an immeasurable service to NBC to not only ensure the future of our junior program that feeds our seniors, but the positive influence you have had in some many young lives, is something you should be enormously proud of.

PRESIDENTS REPORT Cont...

As I write this report, we are in the middle of planning for the next 12 months as we seek to lock in several key roles for the season ahead and the AGM is a couple weeks away. As we learn to live with COVID and how that affects NBC and each of us away from the club it is important to keep some perspective. This morning I had a look at the Go-Fund-Me page set up by one of our members to support some fellow members following a very tragic event that has affected us all. To see how Rams members and others have gotten behind this cause and the support shown goes beyond baseball and reminds me what matters most about community sports clubs. The families, friendships, and experiences we get to share through NBC on and off the field are what makes NBC great to me.

Thank you once again for all your support to me personally and to NBC over the past 12 months, there are some great things planned for the next 12 months and beyond and I look forward to sharing those with you.

Paul Walshe
NBC President

SECRETARY

Joining the committee again this season in the role of Secretary certainly started off extremely stressful with the weekly meetings, updates and the compliance that would be required; wondering if a season would even eventuate. On reflection at the end of the season it turned out to be one of the most enjoyable.

In adversity it was amazing how the Rams family rallied. I can not recall another year where so many contributed to the running and success of the club. Having so many members volunteering; help with scoring, training, and managing teams, members fundraising, having an activities committee, all the volunteers who worked hard on the grounds and facilities prior to and during the season, the sponsors, the coaches and of course the rest of the committee. They say many hands make light work and I think this allows all members to enjoy the club that little bit more. I am looking forward to next season and hope the momentum continues.

Caron Condie
Secretary

CLUB MANAGER

Following a shutdown of all club activities to the resurrection of baseball, the past year has certainly been a challenge for us all. The COVID 19 impacts were significant across the club, but the resilience and “get it done” Ram’s attitude resulted in many achievements.

Despite the impacts of COVID we were able to complete several projects to improve our facilities thanks to contributions from members to make massive improvements at the club for everyone to enjoy, special thanks to Combo, Ben Senior, Walshy, Chad and Linc Porter for the work done to construct the new players bench on D2, the new outside canteen/bar, upgraded training lights on D1, the concrete walkway from D1 into Bob shed and the drinks rail on D1 fence.

Understandably this season saw fewer social events, but what we did host were all big hits. For me, the Christmas Party / Heritage Day, the 3’s Grand Final celebration and Women’s Baseball end of season karaoke party, really stood out. All were great fun for all who attended as well as generating important income.

Over the last 12 months we have been successful for several for state and local funding grants which has gone towards some key projects and enabled us to make some savings to be more financially resilient and ready for the future.

I want to thank all the volunteers who helped out, the list is long and getting longer which is great, the more help the less any one person needs to do and increases the community feeling we all enjoy from being part of NBC.

Cheers to a bright Rams future.

Kevin Hemmerijckx
Club Manager

TREASURER

Looking back to this time last year there was significant uncertainty as to what the 2020/21 season would mean financially for the club. In the midst of a pandemic our concerns were if the club would be able to field teams, let alone run a bar or a canteen...

The impact of COVID on our Major Sponsor (The Phoenix Hotel) meant they were unable to meet outstanding sponsorship payments for the second half of last season and unable to contribute this season, left a major hole in our funding to fill. However, despite these challenges and the impact of a shortened season, financially the 20/21 season has been one of most financially successful in recent years.

Not only has the club survived the restrictions of COVID lockdowns, but we have emerged with a strong cash reserves and some major building projects completed. The position we are in is direct result of the support of all Rams members, but in particular the work of some key individuals who responded to the challenges faced.

- Dale Ipsen & Dale Schuman who reinvigorated our sponsorship program in 2019/20 followed up with amazing efforts in 2020/21 including the Gold Merino Club, creating, and promoting the Player sponsorship initiative, drove other sponsorship initiatives more broadly in guiding others to generate sponsorship to meet the funding lost through the absence of our major sponsor.
- Dean Anglin & David Asp who created the sponsorship initiative of the home run fence.
- Kevin Hemmerijckx who was tireless in seeking out government grants and support funding opportunities which provided the club with much needed capital.

Of course, a huge thanks to all NBC members through their support of the club through attendance at functions, spend at the bar and canteen, purchase of supporter merchandise and support of club fundraising and projects.

As a result of this the club is well positioned for the 21/22 season to manage any of the financial risks that may occur as a result of the ongoing COVID situation.

Brian McNamara
Treasurer

JUNIOR TEAMS

FRIDAY JUNIOR TEAMS

T-Ball (4-9yrs)	Zac Gorman
Little League Minor “Yankees”	David Ninnis - Coach Bergman Family - Team Manager Hayden Mills - Scorer
Little League Minor “Dodgers”	David Gregurke - Coach Mary Bergman - Scorer Simone Gregurke – Scorer

SUNDAY JUNIOR TEAMS

Little League Major “Red”	Aaron Robson - Coach Natalie Land - Team Manager Tracey Groves - Scorer
Little League Major “Blue”	Joel Ricketts – Coach
Intermediate League Major	Sam Aldenhoven – Coach Rod Maher – Assistant Coach Lee Hancox - Scorer
Junior League Major “RUNNERS UP”	Peter Kilbourne – Coach
Under 16 State	Tyler Comben – Coach Mason Condie – Coach Wayne Poole - Scorer
Under 18 State	Mark Jowett – Coach Craig Gorman – Assistant Coach Marissa Gorman – Team Manager Julie Eagles - Scorer

JUNIOR MANAGER

What a way to finish my last season as Junior Manager with an amazing number of junior teams including: T-ball program, 2 x Friday night Little League Minor Teams, 2 x Sunday Little League Major Teams, 1 x Sunday Intermediate league Team, 1 x Junior League Major team, 1 x State league Under 16 team and 1 x State League Under 18 team.

A huge thank you to all the coaches both new and old and to the scorers, team managers and others who contributed each week behind the scenes to get the kids on the field each week.

I have thoroughly enjoyed my years as Junior Manager and the friendships I have made with new and existing parents and junior players along the way, it has been incredibly rewarding and those relationships are something I cherish. It is time for me to step aside and enable new people and new ideas to continue to grow our junior program which is such a critical part of the future of our club as it is in any community sports club.

I have served on the committee under three amazing presidents in Trent, Ben and Walshy and thank them for their support along the way, I have also worked alongside fantastic committee members whose passion for NBC and its growth is so important.

A huge thank you to my wife Michelle for allowing me the time to indulge my passion for this wonderful club. Whilst I may be stepping down from an official role, I am not going away and will still help where I can and continue to enjoy the many friendships.

Thanks everyone

Shane Comben
Junior Manager

JUNIOR COACHES

T-Ball - Zac Gorman

Whilst numbers were down a bit due to not being able to hold Come & Try Days, The past T-Ball season was a lot of fun.

During the t Ball season, the kids developed their fundamental skills greatly throughout the training sessions and the mini games we played against Williamstown t-ballers.

The kids had a ball and kept wanting to come down and get better and it was great to see each player evolve and be more comfortable running, throwing, hitting and catching, but also in the way they got along with the other players that will hopefully be their team mates into baseball for many years to come. I really love the enthusiasm our t-ballers have for the game and the opportunity I have to guide them at such a young age. I would like to thank both the players who helped me out each week, the parents for bringing the kids each week and the club committee for their help and support, as always it is greatly appreciated.

Little League Minor “Dodgers” – David Gregurke

It's a rare chance to get to coach your own kids in the sport you love, let alone at your second home at the Ramdome. My son Hunter continues to love his time playing baseball with his fellow Dodgers, so have I, so thanks for the opportunity to coach again this year.

David Ninnis and I focused on developing range of skills for the 7–11-year-olds in LL Minor. Each week we worked on throwing, catching, fielding different positions, and hitting off tees as well as live pitching. Seeing the game from different angles is an important part of learning the game and every player had a go at pitching throughout the season and most had a go at catching. We had a couple great wins over the season, and our last game against the Newport Yankees was one to remember, with every player getting on base, making plays, and some getting their first hit, scoring their first run, and crossing the plate for the first time. Such a great feeling to see the joy on their faces.

This squad all have great personalities, strengths, and a great foundation to work from. Keep turning up and listening to your coaches and you will all keep getting better and better!

Turimanu Manapouri Fraser – Our leadoff all year, a great all-rounder especially for his age and size. A strong fielding and throwing arm, as well as our most accurate pitcher.

Amelia Bergman – Her pitching improved a lot over the season thanks to the determination and extra work she put in. Amelia was our 2-spot hitter who overcame a big setback early in the season when she was hit by a pitch 3 times in one game. She got on base plenty of times and got a couple great hits.

Flynn Suggett – Flynn was eager to try everything this year and improved throughout the season, getting some big hits.

Tyler Woodford – One of our bigger players, Tyler was a great leader in the outfield and infield. He showed great patience over the season developing his baseball tool kit.

Owen Dundon – Another player who improved well over the season, just keen to play anywhere and get better. Fielded well across the diamond and got some great hits.

Hunter Gregurke – Keen to throw from the mound more this year his pitching accuracy improved over the season, got a couple great hits too.

Kit Kinder – Kit has a passion to improve. He threw some great innings pitching many times over the season. With consistent practice and game time as he grows, he will no doubt become a great all-rounder.

Ry Von Feldon – Another keen pitcher who threw some great games, Ry also played well across the field and his hitting improved a lot.

Coninuted Next Page...

JUNIOR COACHES

Little League Minor “Dodgers” Continued...

Xavier McPherson – Our biggest player who is developing well getting some great hits and played all over the field well.

Mitchell Ward – A new face who had never played before and showed great improvement and perseverance learning a new game but especially after getting hit in the face with the ball at his first training!

Thank you to the parents your help at training and game days while I was writing up teams, hitting ground balls, throwing and just general herding of the dodger flock, very much appreciated. The scorer is always a hard spot to fill, so thank you to everyone that filled in over the year especially Mary Bergman and Simone Gregurke.

Now this year sees a special thank you to Combo as you finish up your long tenure as Junior Manager. The club would not be what it is without such a strong junior program that you have put so much work into. Cheers Combo. Go Rams.

Little League Minor “Yankees” – David Ninnis

This season saw a few extra challenges with weather and COVID breaks. A credit to the Yankees LL Minor teams’ resiliency as they took every opportunity to get some work in when offered. We had only 9 players for the season and when players were away, we used that opportunity to get more at bats, pitching or fielding in.

My focus was to try and have some structure around training with skills development across throwing, catching, fielding, and pitching. These skills would then transfer into games. Mixing in things like whiffle balls, tennis balls or rubber baseballs was about building confidence. Adding some competition and fun was to keep players less distracted, which can be a challenge with their broad age group. For pitching we had players progress from not being able to throw a short distance, to pitching a whole innings with a good mix of strikes which brought with it big smiles once they had done it. Thanks to the catchers Jackson and Lincoln for year.

Most of our players were new to baseball and a big thank you to the parents who brought them to training and games, it was great to see new parents learning more about the game each week as well as your interest in your child’s development and enjoyment. Next year don’t be afraid to come and help with training, I know the kids would get a buzz having you throw or catch with them or seeing you try hit their pitching.

The highlight for me was playing against a stacked teams at another club full of older experienced kids. Our kids had seen them play previously and understandably being new to the game, our team didn’t want to lose badly to this team but were worried before the game started. We changed our team focus and reinforced they were still learning the game and getting beaten doesn’t matter. I think the bribe of a hot dog for each player if they scored 1 run each in a game seemed to work and resulted in us scoring 5 runs in the last inning. The opposition coach had a confused look on his face as to why our kids were so happy after the game despite the loss.

It was my first year of coaching and I usually travel quite a bit for work, so whilst there were so many downsides to COVID, one upside for me was being able to coach my son and other kids over summer. A gig thanks to Hayden Mills for learning how to score, could not have done the season without your help. Also, Mary, Paul, and James Bergman for helping me early on after Combo said, “You’re coaching this season”. Thanks, Combo, for your help and guidance.

JUNIOR COACHES

The opposition coach had a confused look on his face as to why our kids were so happy after the game despite the loss.

It was my first year of coaching and I usually travel quite a bit for work, so whilst there were so many downsides to COVID, one upside for me was being able to coach my son and other kids over summer. A gig thanks to Hayden Mills for learning how to score, could not have done the season without your help. Also, Mary, Paul, and James Bergman for helping me early on after Combo said, “You’re coaching this season”. Thanks, Combo, for your help and guidance.

JUNIOR COACHES

Little League Major “Red” – Aaron Robson

The Little League Red team had an extremely fun and enjoyable season. We began the season with a 15-17 player roster for the first couple games which created challenges to overcome. All the players were able to have fun and experience a variety of playing positions.

Battling the challenges of COVID in a shortened season meant the players were only able to experience limited positions as we tried to get everyone in the game. A decision was made to split the teams to create a second LL Major team and Joel took over coaching that team. This enables players on both teams to get more game time and more opportunities to develop their skills and have fun.

I am very proud of each and every one of my players as they stepped outside their comfort zone and tried new things as they created new friendships whilst becoming incredible ball players.

Large thank you to Joel Ricketts and their family for joining the Rams family and becoming such a positive role model to our players and the assistance you, Combo and Landy gave me in my first-year coaching juniors. Thanks also to Natalie Land who managed the team and Tracey Groves for scoring!

Little League Major “Blue” – Joe Ricketts

After a long and chaotic year, the kids found their way back to the club for some fun and stability with their friends playing baseball.

Our Sunday Little League team had the best problem we could have this year, too many kids for one team and having to split into two teams. This group of kids already had the tenacity to overcome, so naturally adjusted and showed up every week ready to improve.

At practice, initially, we focused on hitting and throwing mechanics, ground-ball footwork, and fly balls. It was no surprise these things progressed, but what did surprise me was the attention and discipline the players developed. This enabled us to include game simulations where the team could play and learn game situations at the same time.

Our team showed incredible growth throughout the season, in both skill and approach. The kids improved significantly with the bat, on the mound and on the bases. I saw them begin to make really good plays in the field, talk to each other about game situations and prepare for the next play. The kids learned to be aggressive on the bases, mentally prepare to hit the ball, and be desperate to score runs. It was a pleasure watching their confidence grow each week.

As the season progressed, this group of kids learned how to win a game of baseball. I believe had this season gone any longer, this group of kids would have been in a Grand Final.

I have high hopes for the future of Junior baseball at Newport. This season was a successful one and I am excited to watch these little Rams careers progress.

I would like to thank Aaron, Mark and Ron for the work you guys put into the kids this year. I know they learned a lot from you all. I would also like to thank Bree and Fiona for doing the tough job of scoring every week.

Thank you, Combo, Paul, the committee, and the club for making this season happen and making my family and I so welcome. There has been a whole lot of hard work go on behind the scenes these kids have benefited from. Exciting times ahead.

JUNIOR COACHES

Intermediate League Major – Sam Aldenhoven

This year's intermediate league team saw a few new players to the club with returning players in their first year up from Little League. This creates a new learning curve for everyone involved with a slightly bigger ground and longer pitching distance. The Intermediate League is a great steppingstone from Little league providing a more gradual step before going to Junior League that has been overwhelming for some players in the past.

Over the course of the season, I could see that all players developed their skills and knowledge of the game and by the end of the season we were much more competitive which will lead to greater consistency next season. Sometimes the gains made in one season by individual players are not seen immediately and may be more evident the next year with greater confidence and experience.

I would like to thank all the players for their efforts during training and games throughout the season. Thanks also to Rod Maher for your help coaching and to Lee and Mary for scoring.

Junior League Major– Peter Kilbourne

This year's Rams Junior League team was a great season with plenty of challenges and lots to celebrate.

Every player on our team contributed everything they could each week, and it showed in our results.

Unfortunately, we couldn't finish the season with the Premiership flag, but take nothing away from our team who tried all season and got themselves back into finals contention to be beaten by an unbeaten top side. A great effort by our team to be runners up at the end of a challenging season.

I would like to congratulate all the players on this season, and am very much looking forward to watching you all in your futures with the club. You all know if you all keep working hard and strive to keep your spot, there's no reason you won't be massive contenders and be a force to be reckoned with for the rest of your junior days and be the future of this great club

Thanks to everyone that helped me out this season, from scorers, to managers, to parents who helped coach a base or helped out with training. Without this great support around our junior teams are just not able to take the field.

Also, a big thanks to the committee, and the outgoing Junior Manager "Combo" for being so supportive and your efforts to the Junior Program over the years.

JUNIOR COACHES

Under 16 State – Mason Condie & Tyler Comben

Season 20/21 was a challenging one for the U16 squad with 90% of the team being bottom aged. U16s is a major step up from Junior League as players move onto a full-sized baseball field and the growth spurts can really vary at this age, nevertheless our players worked hard all season and developed and played our best.

To see how each player develop and get better was a win for us as coaches, we also saw friendships continue and a lot of fun had at training. Each game had some positives to take out of it and I am confident the players learned a lot that will stand them in good stead for future seasons.

As coaches we're extremely proud of how this group handled themselves in the face of an adverse season, and hopefully they all come back eager for next summer and what should be a more successful season.

Under 18 State – Mark Jowett

The 2020/21 season had the Rams combine with Williamstown to play in the State league 18s. Although the team only had a few wins over the season, the teams played well and had a lot of fun.

The team enjoyed playing together and it was a pleasure to watch the improvement throughout the season and see players from the 2 clubs work together and foster friendships off the field.

Congratulations to our team's award winners:

- Nathan Smith (MVP) had an outstanding season with bat hitting 400 and pitched exceptionally well, finishing with an ERA of 1.286.
- Connor Schibecci (Hitting award) hitting 471 for the season and being a consistent offensive player for us.
- Zac Gorman (Best Defensive Player) was solid for us providing great stability.

A massive thanks Craig and Marissa Gorman for taking on the important roles of Assistant Coach and Team Manager. Thank you also to Julie Eagles for scoring.

I really enjoyed working with all of the players as we navigated our way through the season. Thanks also to Shane Comben for another great year for the Rams junior program. Finally, thanks to all the players and parents for all their support during the season.

MALTHOUSE FIELD

The Malthouse Family at NBC, How It Began

Barbara's 3 brothers Don, Ray and Barry Ockwell, all played for Newport as junior and senior players, although Don finished his career with Footscray. Don was the eldest and started at Newport in about 1955 at the age of 15. Ray (Tich) got involved in coaching junior teams and Barry was also involved in the club.

When Darren was about 18 months old sitting in his bassinette his uncles put a baseball in his hand and told him "you will play for Newport one day."

In early 1971 just before Darren was 8 years old, we took him to Newport for his first game in the U13's which was the start of our involvement with the club. When our other sons, Paul and Craig turned 8 they arrived at Newport and also started their playing careers.

From our first visit to NBC with Darren we felt as if we fitted in as Barbara already knew several people at the club. It was a place where our boys could be part of a team and learn to interact with others.

Once Darren started we had to be involved with something so Barbara joined the ladies committee and I started scoring. We loved being involved and through this made many great lifelong friends both within Newport and also in the wider baseball community. We have enjoyed being able to help out over the years and encouraged our boys to also put something back into the club.

As life went on we then enjoyed watching our grandchildren, Dean, Scot and Troy playing and met another generation of friends through the club.

Newport has always been a very inclusive club and any new players or visitors are always made to feel welcome. It makes us proud to see our boys and grandchildren still enjoying their involvement with the club and now a 4th generation (Zander) is starting off in teeball, so the tradition continues.

Barbara and I, as well as the family feel incredibly honoured to have Malthouse Field named in our honour and we thank the club for all it has given us and our family over the years. It was a very emotional day and one we will never forget.

Recently I dropped by the club to watch one of the winter junior games and walked up to Malthouse field to watch the game. I still get a lump in my throat thinking about that day and the friends we shared it with.

We intend and hope to be around for a few more years yet.

David Malthouse

BASEBALL MANAGER

The 2020/21 Season certainly had its challenges, it would be remiss of me not to thank the entire Club, from the committee to the coaching staff and especially the players for taking all the COVID protocols and restrictions in their stride, so we could get back on the field.

Whilst the shortened season meant there was no promotion opportunity to Division 1 this year, it allowed the coaches to focus on making sure firstly, that everyone enjoyed being at the ballpark again, and that they finished the season a better baseball player than they started.

To this end, the coaching staff of Jared Berman, Dean Anglin and David Land did an outstanding job in creating a tailored program that improved the skills and game knowledge of everyone, from the first-year players to the most seasoned veteran, yes that might be me. The program was further enhanced by the addition of Craig Malthouse as pitching coach, who, in his own “special way”, helped advance the arms of all the pitches in the Club and reminded us that baseball is fun and there to be enjoyed week in week out.

Despite the hurdles that past year threw at us, we still managed to field 5 Senior teams, and saw the addition of two Women's teams to the NBC Family. Dean Anglin and Bronwyn Gell combined and in a very short period of time, managed to lay the foundations of what is shaping up to be a successful and sustainable women's program that NBC can be proud of in years to come. Not only has a great women's program been created, but just as importantly, a pathway for the young girls coming through our junior program has been created, which is very exciting.

On the field, overall, we had a very successful season, with nearly all teams either making the finals or just missing out and those that missed out had a fun season with new and old friends. The 3rds, under the leadership of Adyen Ham, finally tasted Premiership success after coming agonisingly close a few years back. The 1sts and 2nds both made finals but faulted in the Grand Final and Semi Final, respectively. The Women's 1st, also made into the playoffs in their maiden season after being competitive all year, exciting times ahead for both our men's and women's programs.

As Jared steps down as Club Coach, I would like to express the Club's thanks for his (and others) efforts in righting the ship and once again making sure the Rams are heading in the right direction.

I would also like to wish our players heading off to college next year all the best, it has been an honour to watch you develop and grow through the NBC ranks. To Harun, Keenan, Ryan, Mason, keep grinding, and provide the younger members of our Club as role models to aspire to.

Finally, thanks to all the volunteers who have put their hand up to help put all the teams on the fields this year. Your contributions, no matter how big or small, enable this great Club to thrive and survive.

David Asp

RAMS WOMEN'S PROGRAM

A players perspective – Bronwyn Gell

Last year brought many changes for many people, for me, it brought two new homes!

In 2020 I was lucky enough to buy my first home out in beautiful Maddingley, up near Bacchus Marsh. This move also opened the doors to a new baseball home as I wanted to find somewhere I could call home and contribute to growing and developing a women's program and opportunities for female athletes and young girls to aspire to. So, the second home I found is at Newport Baseball Club.

As a female playing a male dominated sport, I have had my fair share of obstacles and hostilities to overcome. So, the move to a completely new environment brought many different emotions. I was sad to leave my old teammates and friends, and I was anxious about the uncertainties of an environment where female athletes were scarce, but I was excited to start a new chapter. This new chapter at Newport has come with new friendships, new idols, new goals, new perspectives and much more. There are many people I would like to thank for not only making me feel welcome at NBC, but also for the opportunities I and the other women's players have been given.

I cannot thank Jared Berman, David Land, Dean Anglin, and David Asp enough for their support and for the opportunities I have been given on the baseball field. I always strive to be the best athlete and person I can be and the coaches at NBC have made me very welcome to achieve this.

Thank you to the club's Committee, I can see and feel the passion and commitment the Committee has towards making this a welcoming and sustainable women's program and to create a pathway for the young girls coming through the club.

I now call Newport home and am so grateful at how quickly I have been welcomed and made to feel part of the Rams family. I have been blown away by the support all members have shown me personally, but also the support they have shown the women's program, it was great playing in front of some home crowds that really got behind both women's teams. I cannot thank everyone enough who supported the women's program throughout its first year. A combination of security, safety, support, blended with the enthusiasm of the girls and coaches, made for an incredibly enjoyable and successful first season.

I wish the best of luck to the boys traveling over to America to pursue their baseball dreams through college and beyond, I consider myself very lucky to have had the opportunity to play with such respectful and talented young athletes.

I am very thankful for all the amazing people I have met at Newport, and I cannot wait to make many more memories at this incredible club. Exciting times ahead.

Thank you

Bronwyn Gell

WOMEN'S SNAPSHOT

CLUB COACH

Men's 1s

Rams 2020/2021 season finally got underway after our COVID delays, to a short preseason and a shortened regular season. We found our club back in division 2 after a forgettable 2019/2020 season. With little time to prepare and restrictions still limiting training capacity, we began our hunt for finals. With no promotion-relegation this season we had nothing to lose and everything to prove. Although the first few games didn't have us where we wanted to be on the ladder, there were some lessons learned and real growth as a team. Our young talent was evident early on though and continued to be the hallmark of our team. We had a couple of tough wins to close out before the Christmas break, setting us up for a strong second half. After the summer break, we shored up our veteran leadership and built a 13-game win streak that carried into the finals.

Our team was led by the play and spirit of our young players with stand outs being Mackrell winner Mason Wray behind the dish, Nathan Smith and Tyler Comben, who were co-MVPs. Unfortunately, we lost Keenan Spence to continue his playing career in the States which is really exciting for him. In only 10 games, Keenan finished with league leading hitting statistics.

The commencement of Newport's Women's program brought some of Australia's best female baseball players to the club that we got the pleasure and opportunity to play alongside. The evolution of the women's program and the pathways it creates is exciting for the club going forward.

We as a club and coaching staff fell short of our ultimate goal of bringing a flag back to Newport, but we were successful in our preseason goal to bring a change in culture, and an enjoyment in being involved with NBC again. I want to say thank you to the playing group for the support and buying into the new culture and supporting the coaching staff. We gratefully acknowledge the job Kaylene Pengelly did with score book for many teams at the club. I would like to congratulate Ayden Ham on leading the thirds to a grand final victory and thank Sammy Aldenhoven and Roland Stott for looking after the fourths and fifths, respectively. Special thanks go to David Asp, David Land, and Dean Anglin for their support and hard work throughout the last year, it wouldn't have been a success without their dedication and hard work.

Although after a good season we remain in division 2, the club is poised for an opportunity to make its return to Division 1.

Jared Berman **Club Coach**

SENIOR COACHES

Women's 1s – Dean Anglin

The Newport Rams relaunched a women's program in 2020/2021 after an approach from several players interested in coming to Newport. The club entered Division One Women's team for the first time ever and while the scoreboard results may not reflect the success of the year, it was without question the right thing to do and a successful year in terms of creating a sustainable program.

After we made the decision to launch the program, we advertised for players and were pleasantly surprised by the level of interest we received, with a total of 29 players registering and playing throughout the season.

Players ranged from first timers, to Australian Emeralds and it was great to see lifelong Rams women who have not been able to play at the club get the opportunity, including Leslie Anglin and Holly Howard.

Our division 3 women started the year with a bang, collecting their first win in game one over Geelong. The energy and excitement they had in that first game carried all the way through the season and into each training session as they improved and improved and improved.

The growth in this group over such a short period was amazing, the team went on the beat Geelong 2 more times to register their only 3 wins for the season. Despite that, in a short 10 game season, their 3 wins saw them miss the finals by only 1 win and signalled the start of what we hope is a long and enjoyable program for new players and young females looking to make the transition into women's baseball.

The Division 1 women's team entered a very strong Victorian women's competition probably a little understaffed on the hill. Our team which included Australian Emeralds: Leslie Anglin, Morgan Doty and Bronwyn Gell came together with just a couple of weeks preparation and recruitment. It really wasn't until pitcher Erin Collis transferred from Doncaster to Newport that the team could find some rhythm on the field. Collis allowed Doty, Gell and Anglin to remain in defensive positions and eased the pressure on some of the emerging players to play in high intensity positions.

The club welcomed several players from other women's clubs around Melbourne, including Georgia Page, Danni Teasdale, Kira Jansen, Claire Costa, Bronwyn Gell and the return of Laura Sexton from Essendon, Holly Howard and Morgan Doty from Footscray and Zoe Allen from Preston and Bronwyn Gell and Erin Collis from Doncaster. We are pleased these girls have chosen to further their careers with the Rams and look forward to building a successful program around them in years to come.

In reviewing the on-field elements of the program, it is paramount the club is able to have a team in each women's division in Victoria (Div 1, 2 & 3) so players can make the transition between teams easier. The gap between Div 1 and 3 is enormous and whilst we have some fantastic young girls coming through our club, they simply did not get the opportunity to showcase themselves at the right level during the year. We encourage, mother, sisters, and friends of the Rams to join us in 2021/2022 as we continue to build the program.

Men's 2s Coach – David Land

Season 2020/21 was always going to be a little different after COVID had shelled the winter seasons and uncertainty was ever constant. That being said the team that emerged was one of enthusiastic competitors to tackle whatever Baseball we were to get, head on.

It was clear from the outset that development was of the utmost importance. With 4 guys leaving for the U.S, opportunities would be available in season 21/22. The club would need youth to be blooded and provided with the chance to step up. And with those opportunities came promise. Ben Howard continued to improve, steadying defensively in the 2nd half and being a solid top of the order guy with the bat.

Guiding the development of the pitchers was Craig Malthouse. Back where he belongs, moulding throwers into pitchers. Mason Condie (Team MVP) and Aaron Robson & Harun Pelja really thrived under Craig's tutelage, all 3 young guys benefited greatly and got opportunities to throw in the 1s by season's end and proving to be reliable arms at that level.

SENIOR COACHES

Men's 2s Continued...

The 2s defence was held together by Zac Gorman behind the plate. Zac caught every innings and continues to improve in all aspects of his game. A hard worker and great teammate with a solid bat who demands more of himself, and a constant hustler. This guy is one to watch and I look forward to seeing how far he can go.

Helping guide the youth were the veterans. We were exceptionally fortunate to have guys like Dave Gregurke and Dave Ninnis who stepped back into the 2s, providing great leadership and offence, (Best Hitter Ninnis) and at times outstanding defence and baserunning with both guys throwing their bodies around to help the side.

Stepping in occasionally were very well credentialled players who have played much higher but helped the club and team out by stepping in and being important players. Aspy, Troy Malthouse, Zac Seipolt, Tyler Comben, Morgan Doty and Bronwyn Gel all contributing and bringing winning attitudes. I especially thank these players. Showing that club comes before self and recognising the contributions they could make.

Injuries played a part in our season. With Stephen Pengelly going down early in the season, a number of guys being managed and Trenell also going down. Trenell showed signs of what he is capable of. His bat continues to be destructive to opposing pitchers when he is healthy. Dean Anglin stepped in admirably when T Dawg sat, providing on the spot coaching in situations requiring it, a big thanks Dean.

As we look ahead to another season, we need to take note of how it ended. All season we preached fearlessness of play. To go for our plays, knowing questions would only be asked if we failed to do so. Errors did not matter. Failing did not matter. Learning was always the objective. And I feel our guys responded really well with this in mind. When we played the last game of the season, we were schooled in this by a side that is experienced in being fearless. They swung, pitched fielded and ran with aggression and intent. They played with confidence and edge that was obvious. We need to take that next step and I have no doubt we can.

A massive thank you to Kaylene, the committee, the club for entrusting me with the 2s job. To JB, to Craig again, to the parents and partners and to those I have failed to mention. I enjoyed the year immensely and continued to learn about people and Baseball. How cool. Biggest thank you to my wife Natalie and kids. They have not only allowed me to sacrifice home time to coach but have become Rams also in their own rights.

Women's 2's Coach – Rob Gell

It was exciting to be involved in this new era for women's baseball at Newport this season.

Our Div 3 team fielded 19 different players with a core group of 15. It was great to have so many girls wanting to play baseball at Newport. I thank our players for maintaining such a fantastic attitude and effort with so much bench time required given the number of players keen to take the field.

Our Div 3 team was quite inexperienced being made up of juniors and more mature players who were new to baseball. It was a credit to our players who soon became competitive after suffering some big losses early in the season.

Most players trained each week which was also an indication our players were enjoying themselves, each other, and the game of baseball. Apologies to the Div 1 girls who were distracted by our laughter from all the shenanigans on diamond 2 during training. We were also complemented on game day by our opponents on our fun attitudes.

We managed to win 3 games for the season & lost 2 against finals sides by 1 run so were competitive and learning. The highlight was holding our own against the experienced Melbourne team for 1 hour when we played late in the season, they were quite shocked & praised us on our improvement after beating us 28-1 the first time we played. We eventually finished just outside the top 4 which on reflection was a fantastic effort.

SENIOR COACHES

Women's 2s Continued...

A big thank you to Mary Bergman for scoring also Atticus Hurford & Graham Norman for your assistance at trainings and on game days.

Congratulations to Caroline Moustos for taking out the MVP & Batting award hitting 0.571. Mikayla Norman winning our Best Defensive Player award and our Coaches Award went to Nicky Hogan whose positive and fun attitude infected everyone involved with the women's program and beyond.

The future is bright for the NBC women's program with many talented juniors, Caroline, Mikayla, Maddie Thiel, Amy Asp, Mackenzie Prentice Evans & Elisha Bergman and our ever improving senior girls.

Thank you to all the players for making the season so enjoyable, thanks to Dean & Bron for giving me the privilege to be part of the program. I look forward to next season & seeing Newport become a power in women's baseball.

Men's 3's Coach – Ayden Ham

The Rams 3rds were back in Div. 2 this year with one thing on our minds - Redemption! After a harsh semi-final loss two years ago, the boys got back to business right away with a win over Mulgrave 6-2 after a Sammy Fraser Salami! Round 1 and we had what would be a very handy addition to the team, Kevin Johnson put on a baseball glove for the first time ever and he did not disappoint! The Lefty was a danger in the line-up and also had some time on the mound and who can forget his walk off shot in our semi-final against Williamstown. Round 3 saw the addition of Joel Ricketts and family and after just one game, he wanted to be a Ram for the rest of the season. With Joel, along came young Maison Ricketts with his full uniform and helmet becoming the 3rds very own batboy. We also got the win that day in walk off style, one of four for the season, against maybe the hottest team in the competition, and last year's champs, Moorabbin.

Fast Forward to Round 10 and heading into the game against Werribee, the Rams were sitting 9-0 and eager to finish the season strong. Matty Murphy, who suffered a fractured skull back in Round 1 from a bunt to the face, took a ball over the fence for his first Home Run. In the same inning, Sammy Fraser hit a ball that still has not come down, and the Rams ended the season with a perfect 10-0.

Our first semi-final was against our local rival, Williamstown. With the score all tied up going into the bottom of the 7th: A lead-off walk, perfectly placed bunt, and the stage was set for Kevin Johnson who crushed a ground rule double to drive Anthony Hemmerjickx home for the Rams to take the lead and the game.

The Grand Final saw the Rams take on Doncaster on a rainy Sunday that did nothing to keep the ground away as the Ramdome was packed. The Rams got off to a flyer until a brutal 5 spot and a call that could have gone either way, and by the bottom of the 7th the game was tied 11-11.

Kevin Johnson led off with a four-pitch walk, Matty Murphy bunted safely and a perfect sac bunt from Sean Pengelly set the stage for Ayden Ham to pop a ball over the right fielder's head to bring home the winning run and cause a mob scene behind second base. The Newport Rams 3rds took the championship, and the crowd went nuts and redemption was done.

I would like to thank Andrew Bernoth for scoring every week, thanks to all the bench guys through the season, and for all the support we got on our journey home!

SENIOR COACHES

Men's 4s Coach – Sam Aldenhoven

The 4ths just missed out on playing finals this year with inconsistency towards the back end of the season leaving the team in 5th place, just a game and a half behind 4th.

With several players hanging around to help in the 3rds the guys put in a lot of work and I'm happy to say they left it all on the field. Thanks to the guys that stood up each week to umpire, thanks to Walshy for keeping the grounds in such a great condition and the fields marked out every week.

Thanks to Andrew Bernoth for scoring all season, it is really appreciated.

Men's 5s Coach – Roland Stott

The Fifths played in Div. 4 West, which only had 6 teams and recorded 2 Wins, 1 draw and 7 losses which saw us at the bottom of the ladder, but if we had won the last 2 games, we would have been in the four, so we were in it until the end of the season.

There was the usual mid-season issue of unavailable players meaning we had to give a walkover, but a big thanks to the 3 Masters players who put their hand up to play so we could have a full team for the rest of the season: Shane Comben, Paul Bergman, and Josh de Blank. Thanks to all the players that filled in for the fifths, over 9 games we used 27 players.

The fifths were dealt a big blow when our wily veteran pitcher, Brian Anderson had a season ending knee injury in the 3rd game. Brian was disappointed as he had been looking forward to pitching the next game on his 60th Birthday,

Veegan McMasters was our MVP and Best Batter after batting .524, with an OBP of .643, with most hits and scoring the most runs and was the winning Pitcher in one of our two wins.

Chris Armitt was our Best Defensive Player. Chris put in a solid effort catching 7 of 9 games and put his hand up to pitch when we had no recognised pitchers for one of the games.

A few highlights during the season include Brayyd Turner in his first ever game of Baseball with safe hits in his first 2 plate appearances and had an outfield assist, forcing the runner out at 2nd base. Brian McNamara had a hit in his first Senior game. Tim Thiel and Noah D'Arcy combined for 10 Ks in a 5 innings game. One of our batters grounded out to centre field (the opposition did educate their young centre fielder on the etiquette of Div. 4 baseball). Tim Thiel pitched an excellent game against the top team, over the first 6 innings he faced 22 batters and threw 56 pitches with 42 strikes and only allowed 1 earned run. Tim took advantage of the "experienced" infield who had a combined age of 219 to get 11 ground outs in 6 innings including 7 outs by Shane Comben at shortstop.

MEN'S SNAPSHOT

MASTERS

Following on from a third-place finish in the previous season, the Master's team managed to improve once again, finishing on top of the ladder after the regular season. The team managed to lose just one game, along with one draw and winning the rest.

Once again, we had good numbers throughout the season, with 14 players gracing the field on a Monday night. New additions and returning players this season saw Heath Black, Glenn Zirkel and John Kus taking the field for the Rams.

Season 2020/21 again saw Greg Buzza and Craig Gorman doing most of the pitching for the team, with John Kus joining in later in the season. All of them had high strike counts which put us in good stead when fielding. This, backed up by some solid fielding put us in a position to win on a weekly basis.

The bats were firing early in the season with scores of 15, 15 and 12 in the first three games, kick-started in the first game by a home run from Glenn Zirkel, a feat rarely seen on a Monday night. Although it was a shortened season, we managed to consistently score enough to put us in winnable positions, ultimately helping us to our first placed finish.

The first final saw us challenge early but fade away towards the end. Essendon scored two runs early, a score that remained for most of the game. Once again, we were able to get runners on and into scoring position but unfortunately were unable to capitalise on these opportunities.

Without checking the history books, I would assume it was the team's best-placed finish. With Masters though, success is never really measured in wins. The laughs on the bench and in the group chat is where the strength in the team can be seen.

A huge thank you again goes to Kaylene Pengelly, Shane Comben, Ben Portelli Snr and Mary Bergman. Kaylene once again scored for our team and ensured that I was doing everything by the books. Her support cannot be understated. Meals after the game took on a different feel this season with the BBQ and bar near the ground being utilized. Between Shane and Mary, there was always plenty there for Ben to cook on the BBQ. This support is extremely appreciated by me and the team and is another example of the Master's family.

This season's Greg Griffiths, "Spirit of the Masters" Award was presented to Jordan Pengelly. Jordy rarely misses a game or a joke on the bench. He consistently offers to be the one to sit out the fielding dig, but he is still as solid as ever in the field and swings the bat well. His enjoyment for the game and the team is always visible and he is willing to play whatever role is required. A true Master's player and the kind of guy you want as a teammate.

Davis Long
Masters Manager

AWARD WINNERS

JUNIORS

Little League Major (Red)

Most Valuable Player – Samuel Land
Most Improved Player – Cruize Chase
Coaches Award – Lincoln Groves

Little League Major (Blue)

Most Valuable Player – Oscar Shimakura
Most Improved Player – Sam Hogan
Batting Award – Maisen Ricketts

Intermediate League Major

Most Valuable Player – Ethan Maher
Batting Award – Oliver de Blank
Coaches Award – Lincoln Bergman

Junior League Major

Most Valuable Player – Will Hardy
Best Offensive Player – Lachlan Schuman
Best Defensive Player – Andrew Land

Under 16 State

Most Valuable Player – Mace Poole
Best Offensive Player – Ben Howard
Best Defensive Player – Atticus Hurford

Under 18 State

Most Valuable Player – Nathan Smith
Batting Award – Connor Schibecci (.471)
Best Defensive Payer – Zac Gorman

PERPETUAL AWARDS

Best Junior League Player
“Stan McKay Memorial Award”
Will Hardy

Best U16 Player
Ben Howard

Best Junior Player
“W. Thom Memorial Award”
Nathan Smith

Brian Vance Award
“Senior Contribution to Juniors”
Zac Gorman

SENIORS

Men's 1s

Batting Award – Keenan Spence
Best Defensive Player – Ryan Morrison

Women's 1s

Most Valuable Player – Morgan Doty
Batting Award – Bronwyn Gell (.588)
Rising Star Award – Zoe Allen

Men's 2s

Most Valuable Player – Mason Condie
Best Offensive Player – David Ninnis
Best Defensive Player – Zac Gorman

Women's 2s

Most Valuable Player/Batting Award (.571)
Caroline Moustos
Coaches Award – Nikki Hogan
Best Defensive Player – Mickayla Norman

Men's 3s

Most Valuable Player – Ayden Ham
Most Valuable Player – Sean Pengelly
Most Improved Player – Mace Poole

Men's 4s

Most Valuable Player – Drew Donnelly
Best Offensive Player – Noah Darcy
Best Defensive Player – Anthony Hemmerijckx

Men's 5s

Most Valuable Player – Veegan McMasters
Best Offensive Player – Veegan McMasters
Best Defensive Player – Chris Armitt

PERPETUAL AWARDS

Most Improved Senior Player – Aaron Robson

Greg Griffith Award “Spirit of The Masters” – Jordon Pengelly

Reg Simpson Memorial Trophy “Best Junior Playing Seniors”
Nathan Smith

Jack & Beryl Bunting Award “Men's 1s MVP”
Tyler Comben & Nathan Smith

Mackrell Trophy “Best Player Clubman” – Mason Wray
