RAMS FAMILY MEMORIES

PRESIDENTS REPORT

It is with immense pride that I write this, my third report as Club President after what is surely the most successful senior season of Rams baseball. Four Senior and one Women's premierships flags, plus Division 2 Club Champions, what an incredible summer.

Whilst we have had senior and junior premierships in the past, including Division 1 flags back in the 1970's, to my knowledge there has not been such a spread of premierships medals among so many senior players in the same year, some of which played in more than one premiership team, so awesome. A true credit to Sean Arnott, Dean Anglin and all senior coaches, assistants, scorers, and helpers to generate such depth in our senior programs, especially with such a young average age, such exciting times ahead. It was great to see the Master's team back where they belong, finishing fourth rather than playing an extra game and risking injury in a Grand Final. 😊

Aside from the senior program, we also saw success at junior levels with our U12 State team taking the flag in a great comeback win, and our U14 state team also saw finals action. Within our junior program it is important to look deeper than just premierships, or even game wins sometimes. Over the past 12 months our player retention from the previous season was very high, and we saw a steady increase in overall numbers. Importantly we also saw the post Covid re-emergence of our T-Ball program on Wednesday nights. Thank you to all our junior coaches, scorers, and helpers for making it happen every week. Special thanks to all the parents for choosing the Rams for your child's baseball/sporting experience.

In March 2022, NBC welcomed Gift Ngoepe, his wife Cait and son Kiani to the Rams family, as they relocated to Melbourne from the US after the end of his MLB career. Gift provided some amazing coaching experiences to our players and opened a lot of eyes to potential opportunities and broader horizons in his time at NBC. Whilst Gift and family moved back to the US, we will always be grateful for his time with us, and a special thank you to those behind the scenes who brought it all together. We will never stop seeking to be innovative and creative as we strive to improve all aspects of NBC on and off the field.

Off the field, the club never stops, and it takes a lot of coordination and effort to make it all appear seamless. Thank you to our committee members for taking on the responsibilities they do and for the time they give up in support of NBC. Thank you Caron, Simon, Kevin, Dave, Sam, Nikki, and Aspy. I am immensely grateful for the work you do, and the support you provide to me personally. A special mention to Kev, not just for the past 12 months, which saw record income through

Continued....

PRESIDENTS REPORT

Kev's food and beverage management, but also for the other work Kev does that no one sees, including on the grounds. Kev was a very fitting recipient of the 2022/23 Currie Award for Best Club person. We will miss you now that you and Noot have moved back to Thailand, but you will always remain part of the Rams family. We also had some great sub-committees for 2022/23 to share the load even further, thank you to all those members for your efforts.

Anyone who knows me knows I love a good Rams project or something going on at the club to improve our facilities or club experience. This past year we ticked off a big one with the installation of digital scoreboards on both our main grounds. Anyone that has seen them will agree it has transformed our club's game-day experience and provides great opportunities for sponsors and other uses for many years to come. Thank you to Dale Ipsen and Dale Schumann for the grunt work behind the scenes to secure the funding to make this possible. Not satisfied with that, the Dale's also coordinated our sponsors and Gold Merino programs which also brings significant income to the club enabling us to keep fees down and consider more projects. Thanks Dale's.

On the subject of projects, the concrete cricket pitch on D2 has been removed and grass is already coming through, thanks Steve and Honk for your efforts. The irrigation project is well under way and whilst this is not a project you may readily notice, the replacement of all underground pipes and sprinklers across all fields, will see a significant improvement to our grounds. Thank you Hobsons Bay City Council for this and your continued support throughout the years. We are also finalising our internet connection to both scoreboards and Bob's Shed which will create more possibilities, this project will also see the installation of outdoor speakers for formal ceremonies, announcements, presentations, music, and other possibilities. We are expanding the outdoor kitchen area to create some storage areas and a space for the scoreboard controls to be housed to get them out of the scorer's way. Funding applications are also being prepared for toilets up at the grounds, that's a big one so may take a while, but it's coming.

On the subject of ceremonies, it was a very special day for the club to award Life Membership to Dave Gregurke back in February. Not sure there was a dry eye when Gerks (& Landy) took us through his Rams journey and the special friendships over the years. Well done Gerks' and thank you for all you have done and continue to do for NBC. No one does events better than the Rams and the past year was huge, from Christmas party to Heritage Day, Junior, and Senior presentations and what felt like a month long of premiership celebrations, thank you to those who attended and to those who made it all happen.

PRESIDENTS REPORT

As we look towards the Rams future on and off the field, our senior programs will step up a level on the back of last season's success. Exactly what that structure looks like is still being refined by BV, but whatever it is, the Rams will be ready. It is great to have David Land and Dean Anglin leading our senior programs and on the back of recent coaching clinics, our junior coaching also goes up a notch. We are excited to have David Tongue back to join us again later in the year, this time with his partner Anna, and I am reliably informed of other strategic recruitment moves being made. You will soon see the launch of an exciting new marketing campaign for NBC to promote the club to the local community, further details to come very soon.

A special thank you again to Jeannie for her unwavering support of me in my role, and for her understanding of the time and 'phone' commitment that goes with it.

As NBC rolls into its 95th year, each year we share amazing baseball achievements, like a young players first hit or catch, a junior premiership, selection to a representative team or an individual award. The continued growth of our amazing women's program, watching young juniors play their first senior game, home-grown juniors getting selected to a national team or traveling overseas to college as part of their baseball dream. But we also get to share the bigger life events, like the birth of a few new Rams babies over the past couple months.

It's great to be a Ram, now and always.

Thank you.

Few of my favourite moments from Season 2022/23

SECRETARY

An amazing season, on and off the field. It was exciting to watch the players celebrate grand final wins, from the Under 12's though to the Senior firsts; I am looking forward to watching the club in Division one next season. I love that as a club we never settle on what we have; always pushing to improve the facilities and opportunities for our members. This of course does not happen without the challenging work undertaken by many, from Kev as club manager, a huge year in canteen/bar turnover, to the Dales, applying and obtaining funding and chasing sponsorship, Walshy, continually collaborating with council, so appreciative of the work that you all do. The bar has been set high with the addition of the new scoreboards this season, what's next for 23/24?

Caron Condie

Caron Condie
Club Secretary

CLUB MANAGER

The past year saw a 25% revenue increase from the indoor and outdoor bar/canteen compared to the previous year, which on its own was already a record year. To see such an increase was very satisfying and a great outcome towards overall club income enabling NBC to keep fees to a minimum.

In addition, our "game-day" experience has improved yet again, certainly the Gold Merino Terrace is a great hit and a credit to Dale Ipsen and Dale Schumann. Our events over the past year were all big hits and well attended as our members enjoyed the facilities and the company of family and friends. For me, the Christmas Party, Heritage Day, 2s & 3s Grand Final day, followed by Women's premiership celebrations and ultimately the senior 1's and Club Championship party stood out and memorable events for the club. All were great fun and the participation across all the senior teams was huge.

Thank you to all who helped out, especially Drew, Dale Ipsen, Thi and Michelle. The list is long and getting longer each year which is great, the more help the less any one person needs to do, and it only increases the community feel we all enjoy from being part of the Rams family.

As you know this is my final report as by the time you read this, I will have left Australia and moved back to the "Land of Smiles" (Thailand). I will always treasure the special friendships and experiences I have enjoyed as being part of the Rams, thank you for welcoming me and my family.

Cheers to a bright Rams future.

Kevin Hemmerijckx

Kevin Hemmerijckx
Club Manager

TREASURER

The Rams are in a sound financial position having achieved several capital goals this past financial year. The year saw a range of increased spending which was met by additional revenue. The centrepiece was the scoreboards, which were fully funded by Sport and Recreation Victoria grants and Gold Merino fund raising.

The club continues to rely on fees, food, beverage and merchandise sales; however, sponsorships and grants have played an increasing role and now are also a fundamental part of our budget. Our club owes a debt of gratitude to Dale Schuman and Dale Ipsen for once again leading our sponsorship efforts. Kevin, Natasha and Sam have delivered a bumper year from food and beverage sales yet again, and our dynamic merchandise and uniform squad have delivered another year of outstanding financial contributions to the club.

Our risk are constant and remain mitigated by the hard work of people like those listed above and a handful of others. We need to continue to watch out for the following:

- Placing too much financial reliance in the hands of too few. Everyone needs to continue to put work into our financial stability, reenforce our existing lines of revenue and create new opportunities.
- Emergency spending on maintenance. While we have a sound financial base, we need to continue to provision for equipment maintenance and/or replacement. Our savings shouldn't be compromised for discretionary spending.
- Losing sponsors because we don't offer great recognition and value. There is lots of competition for our sponsors – we need to compete.

In summary: Thanks to all for another great year.

JUNIOR MANAGER

As I commenced transitioning into the Junior Manager's over the 2022/23 season, much of the summer was spent learning from Caron Condie and Dave Ninnis - a huge thank you to Dave who handed over the role but has remained very much connected to our junior program.

The whole competition was restructured not long before the commencement of the season and Caron did an amazing job dealing with many calls and meetings to finalise the new charter, teams and fixtures. Finally, it was done and with the Covid disruption finally behind us, the Rams juniors took every opportunity that came their way.

This season we had a huge turnout for T-Ball, a Friday night Little League Minors team, a Sunday U12 Metro team and an U12 State team. In the newly created State competition, which is the highest division our juniors can play, our U12 State team came away Champions. Congratulations to all our junior coaches, it was another fantastic year of Rams Junior Baseball.

Some highlights of this season:

Our juniors benefited from the international players that joined the club bringing their experience and a buzz of excitement:

- Gift Ngoepe joined us over winter last year, adding huge value to our winter programs through the academy and holiday programs.
- David Tongue arrived in spring and supported our older juniors through pitching programs.
- The Grind Camp ran again with Scott Porter who is certified in Top Velocity and Driveline programs

School Holiday programs were a consistently well supported from our juniors and we will continue to build NBC programs through the next season.

Our kids really stepped up for the representative teams this season with Newport players selected in both U16 and U18 Vic State teams. The newly formed METS charter (Newport, Werribee, Melton, Geelong) had junior teams at all levels and Newport placed kids in every age group. Baseball Victoria started a younger program for our U12s/14s with 6 Newport kids selected. For the first time there was a U12s all-girl's program, with a training camp from BV and an all-girls charter team – the Belles. NBC had 2 girls in the squad and no doubt more to come. I'm very excited to see how much we can build our numbers of girls across our junior program next season.

Next season I'm looking forward to sharing our diversity vision and a new closed Junior Facebook page enable everyone to share stories and successes and I look forward to sharing more stories and results from our amazing kids. In my first year helping with the management of our junior program, I was so impressed by how much time and dedication goes into the program from our team of coaches and committee. A big thank you to all of them and if you'd like to get involved, please get in touch.

Under 18 State	Coach Assistant Coach Scorer	Mason Condie David Tongue Wayne Poole

JUNIOR COACHES

T-Ball – Shane Comben & David Malthouse

The T-Ball last season had an average of 12 players every Wednesday night with ages ranging from 4 to 8 and as always, we had lots of fun week in and week out, it was amazing to see the improvement from the start to the end of the season.

The players started off learning how to catch with the Velcro paddles and balls, by seasons end all the kids were catching with gloves and soft baseballs. Most of the kids were hitting also live soft toss by the end of the season.

I would expect to see several of our T-Ballers progress to U12 baseball next season and those that aren't yet old enough will come back for more and build on their skills as we have more fun doing it.

Huge thanks to Dave Malthouse for his assistance all throughout the season, all the junior and senior players who helped out, special thank you to the parents, it is great to have you helping out and enjoying the fun with your child as they learn and progress.

Dave and I are already looking forward to next season!

RAMS T-BALL

JUNIOR COACHES

Under 12 Minor (Friday Nights) – Sean Pengelly & Atticus Hurford.

Friday nights are always a lot of fun as we focus on fundamentals and gradual individual and team development, making fun the priority.

With a mix of new players to baseball coming up from T-Ball, a couple new to baseball and a couple returning players, we had a good mix of enthusiastic young players eager to take field and learn more each week.

Our training focus each week was just to consolidate fundamental skills of running, throwing, hitting and catching and it was great to see all players improve throughout the season. Once games started and we put these skills in practice it did not take long for players to really get the hang of it and make some great plays, get some great hits and have a lot of fun/ I am sure the parents could also see the progress as the season progressed as many of them also came to understand the game better and their help throughout the season was greatly appreciated.

Friday night Under 12s is a great introduction to baseball and to being part of the club, we both enjoyed coaching this year and are grateful to everyone for your support.

JUNIOR COACHES

Under 12 Metro - Red – Dave Gregurke & Ben Portelli Jnr.

After a wonderful Come-and-Try day, and lots of great pre-season practice, the rain was not our friend, meaning we didn't play our first game until November. However, this did not affect our determination to get the work in, with indoor sessions and practice matches filling any gaps to set the scene for a season of huge improvement. The weather did however make planning near impossible, as after starting with three teams, we ended up only being able to field two. Huge thankyou to the entire coaching program for regular comms to ensure everyone got a game.

Thanks to all players and parents for an awesome season. Coach Ben and I are so proud of the improvement everyone has shown every week. Thanks also to the parents for their support and encouragement. It's important to remind the kids, and ourselves, that baseball is a game of imperfection, no one gets everything perfect or hits a thousand. We can teach the rules and strategy all season long, but truly – it's the disappointment of a strikeout or a missed play that become the opportunities to learn from.

Some season highlights & Grill's Award winners:

- 6 Nov: Ezra Kearney awarded for his first game ever and went 3 from 4!!!
- 13 Nov: Henry Portelli awarded for a breakout hitting performance with 2 big doubles.
- 27 Nov: Eli Sharpe pitched with heart and had some great hits including the best at bat of the season to date. Well done, Eli.
- 4 Dec: Our award winner was my very own pickle, Hunter Gregurke. As coach Ben said, in our longtime watching baseball, this was the first time we'd seen a magnificent base clearing triple that ended so very close to out, but safe - at first. That play was A LOT.
- 11 Dec: Archie Wiseman awarded with another great day with the bat to match his attitude
- 19 Dec: We needed to have a separate award winner for hitting and fielding! For hitting, Archer Barr delivered the goods with another multi-hit game. Always hungry to do his best and is a great teammate. For fielding, one of our youngest Rams, Jarvis Wallace had a stellar outing behind the plate, covering a flurry of 5 scoring attempts in a row at the plate!
- 22 Jan: Our award winner was Archer Barr, a stellar catch to save a sure double in right field, among a few other tough plays that he covered well.
- 5 Feb: Our award winner was Amelia Bergman, who started the game and caught a laser at second base which almost certainly would have gone through for a double. She then carried this defensive focus into the second half of the game when she took over catching, including battling through a knock to the hip to shake it off and finish the game, congratulations Millie!

JUNIOR COACHES

Under 12 Metro - Red – Dave Gregurke & Ben Portelli Jnr. Continued.....

- 12 Feb: Our dual winners were Jenson Portelli for a solid stint as our catcher and some great hitting, and Eli Sharpe who was ready to swing the bat hard and put his hand up to pitch and came in hot throwing plenty of strikes.
- 22 Feb: Our award winner was too close to call, and we awarded it to three winners: 1. Campbell Brown for a stellar 1st game recovering from being hit by a pitch to getting some great hits. 2. Archie Wiseman and 3. Elijah Wallace who both had great days on the mound and with the bat.
- 26 Feb” Our award winner was Milly. It’s been simply awesome to watch her confidence grow every week. She has gone from being very timid in the batter’s box at the start of the season, to looking to hit the ball every time she steps up to the plate. Another timely hit that day was reward for her effort. Well done, Millie!!!

Finally, a special thank you for a special season at the Ram Dome from Gerks.

To Ben Portelli Jnr, Trent Curwood, Paul Walshe, David Land and David Asp, thank you for your reliable advice, friendship and unconditional support in a season you wouldn’t miss for all the money in the world. You showed the rewards for being humble enough to ask for help. Solid gold rewards like coaching our boys together with Ben, *finally* playing in a premiership with you Aspa, and of course the honour of receiving Rams Life Membership at NBC. As you know all too well, NBC’s success this year has a long back story, well beyond one season. Thanks to countless hours on-and-off the field from members like you. We’re all lucky to have volunteers and characters of your calibre in our community and I’m even luckier to have you as life-long mates. **Reggie & Bobby couldn’t be prouder. Go Rams!!!**

David Gregurke being awarded Life Membership (21-Feb-23)

JUNIOR COACHES

Under 12 State Blue – David Ninnis & Fiona Kelly

Let's start with.... this great bunch of kids won the grand final in an amazing last inning come- back win! The tense final had everything, but our junior Rams play for each other and won it as a team. As coaches we couldn't have been prouder of the way they supported each other, took care of each other when things didn't go their way and even played through getting hurt not wanting to let their team mates down. The win was a perfect reward for this hard working and fun group!

As coaches we challenged the kids early in the season on effort and attitude at training and in games. The focus would be on development of all players above winning every game, and after the Christmas break, in the remaining games, we would start playing them in their more specialised positions. We had the goal for them to make the top 4, as we believed the kids could beat any team due to the hard work they all put in, their attitude and being good sports; win or lose. This team would always say yes to more work whether it was a public or school holiday, rain cancellation and all would join the extra Thursday night pitching and catching sessions we ran for them. More importantly they enjoyed the company of their teammates, and our parents would be waiting for them well after training as they were all off hanging out together, something the club is all about.

They learnt that things will not always go their way in baseball, and they needed to look after each other and instead of thinking about an error or a bad at bat, as we focused on "get the next one", which became our motto for the season. We had plenty of proud moments when we saw our players pick their team mates up.

Another big highlight was the parents all chipping in and helping out throughout the season, a massive thanks from the coaches. Great things happen when the energy goes into what happens on the field, and every minute of your support means we can put more time in to the kids as a result.

Our other team motto was not to forget, "that this stuff is fun!". What a fun year it was and congratulations to all our player and parents.

JUNIOR COACHES

U14 Metro West – Peter Kilbourne & Paul Bergman

The U14 metro season was a roller coaster ride after we started slowly, which was part of being a combined side taking time to get to know each other, as well as a few players getting used to U14's baseball, having come up from little league, or intermediate league the year before,

It took us until round 10 to secure our first win, while having 2 washouts, and 4 games decided by only 7 runs, we knew our time would come when our team would all click at the same time. And that it did, we then went on to win 5 of our next 6 and with 2 games left to play, we were only half a game out of finals. Unfortunately, we were unable to continue our golden run, facing the eventual grand finalists in our last 2 must win games, such is baseball.

All in all, this season should still be looked upon as a great success, the development all players have made is outstanding. This was also evident when 5 of our players were selected to the Mets charter representative team. I would like to thank everyone involved for a massive season, particularly Paul Bergman for coaching, Laura Sexton for helping whenever needed, Carol Bond for scoring when she could and to the overall Newport community for helping with coaching the kids to running the canteen, umpiring, and making sure we have grounds ready every game. We are all very lucky to be part of this club, and it makes coaching a lot easier having this support. One last thanks to everyone at the Footscray baseball club, who we combined with, for hosting many of our home games and providing umpires and canteen

JUNIOR COACHES

Under 14 State League - Glen Zirkel (Mushy) & Josh De Blank Continued....

This season was a fun and enjoyable season to coach for Josh and myself. The team were coached, along with several kids who played with us from the Metro team and who all trained together, was amazing to be around. The vibe from these players training and on game day was always great and the opportunities that arose for the players to experience some quality opposition, learn different aspects of the game was fabulous to see.

All players improved and developed from where they were at the start of the season, so a lot of personal satisfaction as well as teach accomplishments, this is a big reason why we enjoy coaching. One of the amazing things to see from some players over the course of the season, was the leadership they provided on and off the field - even when we didn't ask them, showed great maturity for this age group.

Our season started off very strong for the first half and it was great to see our *"fight to the end of the game"* attitude, but unfortunately our second half wasn't as strong as it should have been due to a few various factors, however still making finals was a great achievement, just a shame we were not able to progress further as this team at full strength and capacity, was the better team of the league in our opinion.

I hope each player enjoyed the season, as both Josh and I certainly did, we hope each player took something from the season towards their own game. I look forward to seeing all our players progress through their junior careers and I hope to continue to work with you all the future.

Thank you to all the support of parents, other coaches, committee members and others involved to make this all happen and for the Rams to be the great club we are.

JUNIOR COACHES

Under 16 State – Mark Jowett & David Land

The U16 season was one with many challenges. Several early season washouts made it difficult to build any sort of momentum, we did however put together many competitive performances. With 4 wins for the season, we had several highlights worth mentioning, including 2 strong wins over Williamstown, coming from some great team hitting.

Andy Land hitting his first senior distance home run at Waverley, followed by 2 more home runs for the season. Jack Prentice-Evans catching most of the season and showing real improvement throughout, having his best game in our win against Waverley in the last game. Strong pitching performances also from Will Hardy and Darcy Phemister. The season finished with a fantastic team performance to get the win over Waverley 11-3.

Congratulations to all the trophy winners:

MVP: Will Hardy had an outstanding season hitting .630 and having several good performances on the hill and at short stop.

Hitting Award went to Andy Land hitting .676 with 12 extra base hits and 3 home runs

Best Defensive Player: Darcy Phemister having several good outings on the hill as both a starter, and in relief.

A massive thanks to David Land for all your hard work as assistant coach, Natalie Land for her assistance as our team manager and Simon Phemister as our scorer. Thanks also Glenn Hardy for helping Simon with scoring duties. I really enjoyed working with you all as we navigated our way through the season. Thanks also to the junior committee for putting together a great program. Finally, thanks to all the players and parents for all their support during the season.

Under 18 State – Mason Condie & David Tongue

Season 22/23 for our U18 team was challenging, only having five games where we had 9 but fortunately only having to forfeit one game for the season, so I would like to start by saying thank you to all the players and parents for coming out every Sunday which enables us to play.

We had a great mix of players, some who have been together since U12s and others playing their first junior season for the Rams. All players worked well together and were supportive throughout which created great team chemistry and made for a fun Sunday morning.

Unfortunately, we only finished with four wins for the season, three of which were with 7 players, but the results don't show how well we competed with some close losses, including against the two top teams, which shows we were there to play each week so thanks to all the players.

Once again, a massive thanks to the parents for your help throughout the season and getting the players to game on time every week. Thanks also to the committee and to David Land and Mark Jowett for helping with training throughout the season.

BASEBALL MANAGER (Senior Program)

The 2022/23 senior baseball season was a monumental year for the Newport Rams, with the 1sts, 2nds, 3rds, and 4ths all bringing home a Premiership. This season saw the re-appointment of Sean Arnott as Club Coach, with Craig Malthouse and Dean Marnell assisting him, apart from a wealth of knowledge, they also brought some stability in the coaching structure and were able to build on what they had achieved last year.

In addition to this, the coaching staff was strengthened with the addition of David Land as 2nds Coach, myself as 3rds Coach, Ayden Ham as 4ths Coach and Roland Stott as 5ths Coach. These coaches provided invaluable support and guidance to their respective teams, ensuring every player was given the opportunity to reach their full potential.

The commitment of our players was second to none, and this was reflected in the results on the field with our 1s, 2s, 3s and 4s all winning their respective premierships, and as a result the Newport Rams were also crowned Club Champions. This is a remarkable achievement and a testament to the hard work and dedication of everyone involved in the club.

We are also proud of the progress made in player development of our home group junior players, with many of them playing pivotal roles in contributing to the success of their teams. Our commitment to creating a positive and inclusive culture has helped us to nurture these players from junior to senior players, who can mix it with the best.

A huge thank you goes out to all our coaches and players for their contribution to this outstanding season. We look forward to building on this success as we return to Division 1 and continue to make the Newport Rams one of the strongest clubs in the baseball community.

Also, a big thank you goes out to all our dedicated volunteers and supporters who have once again made the Newport Rams Baseball Club such a success. From the scorers to the ground managers, and everyone in between, we are incredibly grateful for the time and effort you put in week in and week out to ensure our players have the best possible experience on and off the field. Your tireless work is the backbone of our club, and we truly could not do it without you.

Thank you for all that you do!

David Asp

NEWPORT BASEBALL CLUB INC.

ANNUAL REPORT 2022/23

BASEBALL MANAGER (Women's Program)

This season's wrap up can't begin without starting at the end - our first premiership! Cue the glitter cannons - our Div 2 legends have been promoted to Div 1!!!

I'll leave the breakdown of that massive achievement to the coaches, but what stuck out to me (aside from Shiori's pitching and Morgy's almost home run...boo, Deano!) was the strength of the whole team and as the spirit of the whole program and club getting around them; to say I'm proud would be a huge understatement, well done legends.

Our players across the divisions were truly a force to be reckoned with, with every player bringing something to the table. The 3s are known for having an absolute blast but they also remain real contenders for a flag some season soon, especially with Jordy at the helm. They continually show up with integrity, grit and just have tonnes of fun. Emblematic of this spirit is our star SS Bec Asp, whose season was rudely interrupted by Iron Mike, yet she somehow still showed up to support the girls - we miss you out there, Bec, hurry back soon!

It was a big decision to go to three teams as we knew it would be a risk, but considered it critical to prioritise growth, development and playing time over winning. Watching our younger legends work so hard and seeing brand new superstars to the game like Jade Neary come into their own, that gamble more than paid off!

Behind all this magic of course were our scorers, umpires and incredible coaches, the guiding lights of our program. Their dedication, and occasionally patience, was very much appreciated; we really wouldn't have a game without you.

As we wrap up this season, I can't help but reflect on the incredible program we've created together and get super excited for the future. There was a real energy around the fields this year and it was awesome to be a part of. We'll continue building upon this season, nurturing talent, having fun and providing a platform for women to excel in the sport we all adore. Our program will always be a place where laughter and fun coexist with hard work and determination. It is a team effort of course, so please remember that your feedback is always welcome - this is our program, and it truly takes a team approach.

I want to thank all the players, committee, coaches, scorers and supporters for being part of our journey, here's to next season. GO RAMS!!!

Nikki Hogan

Nikki Hogan
Baseball Manager (Women's)

NEWPORT BASEBALL CLUB INC.

ANNUAL REPORT 2022/23

CLUB COACH

Senior Club Coach – Sean Arnott

Season 2022/23 will go down as a season we will never forget, to win the Senior 1sts, 2nds, 3rds and 4ths premierships, as well as the Women's 1sts flag topped off by the Division 2 Club Championship, will be something to cherish and to always be extremely proud of.

The 1s had a very up and down regular season in what was an extremely tight Division 2 competition. At the Christmas break we were in a reasonably strong position with a 9-4 record, unfortunately dropping a couple of games against sides we probably expected to defeat. At this stage we knew we still had work to do. After dropping 2 of our first 3 games after the Christmas break, we found ourselves outside the top 4 and in the precarious position of having to win our last 5 games just to make the playoffs. Eventually we snuck back into the top 4 by winning 4 of the last 5 and getting away with a very lucky draw against Williamstown in a midweek game.

The semi-final series saw us take on the very strong Cheltenham side where we took the first game 7-1 before losing game 2 and ultimately winning game 3 on the back of a very strong start from Tyler Comben. We were on our way to the Grand Final to take on our local rival and arch enemy Williamstown.

The Grand Final series would also come down to a 3rd game after we won game 1, 7-4, and lost game 2, 17-9. Game 3 was certainly a great pitcher's duel, dominated by our starting pitcher David Tongue. After we scored 4 runs in the 6th inning, David kept the Williamstown hitters at bay as he got through to the 9th inning with a no-hitter going. Although Williamstown managed a couple of hits, we managed to close out the game with a great double play from one of our youngest players, Will Hardy to win 4-0 and end a 23-year 1's premiership drought.

Standout performers for the season were Alan Ortiz (Mackrell Trophy & Hitting award winner), and David Tongue (Bunting award). The emergence of Will Hardy, Andy Land, Anthony Hemmerijckx (Most Improved Senior Player) as well as Lachlan Schumann, demonstrates that the work done by our junior coaches continues to create a strong future for our club.

Once again, it goes without saying the biggest thank you of all must go to Kaylene Pengelly for her work in the scorer's box (not only with the 1s team). As I said at presentation night, the emotion Kaylene showed when we won the Grand Final was unbelievable. Glad we could deliver you a premiership medal Kaylene!

To our Senior Coaches; David Land (2s), David Asp (3s), Ayden Ham (4s) and Roland Stott (5s), a huge thank you for your efforts throughout the season. Also, to my assistants, Craig Malthouse, Dean Marnell, again David Land and David Asp. It goes without saying that I couldn't have done the job without your help, particularly at our practice sessions, THANK YOU!!!

CLUB COACH

Senior Club Coach – Sean Arnott continued....

To Paul Walshe and our hard-working committee, once again thank you for your support and the hard work you all do behind the scenes. This club and the players representing the club are certainly very lucky to have you doing the work you do week in, week out!!!

Lastly, to the players.....I said in my report last year that our work wasn't done, to achieve the success we had across the board this year has probably exceeded a lot of expectations and certainly demonstrates that we are ready for the next step.

Thank you for your efforts and I am looking forward to getting back to Division 1 and seeing where you can take this club. The sky is the limit!!!

Whilst I am stepping down from the role as Head Coach, I am looking forward to the next chapter and working with our incoming coach, David Land. The club overall, is in a great position, let's continue the search for success.....It's a great feeling!!!!

PROUD TO BE A RAM!!!

WOMEN'S PROGRAM

Women's Head Coach – Dean Anglin

Another highly successful year for our women's program, capped off with a Championship in Division Two. Our program continued to grow with the entry of a third team during the season and individual growth of players really starting to show benefits to the team.

Whilst leading the program I am grateful to James Early and Graham Norman returning for a second season, and Jordon Pengelly coming on board during the season to lead the additional team. On field we welcomed back most of our playing list from the previous season and added a few new players in Tiffany Ng, Tayla Wilmot, Penny Blyth, Shiori Hoshino, Olivia Zurawel, Thi Pham and Agnes Brunnhofer. We also had a handful of fill in players and saw the return of Danni Teasdale to the Rams. All up we had 31 players take the field this year, with an enormous commitment from the players to ensure we fielded three teams as many weeks as possible.

As we look forward to next year, we have now qualified for Division One and will again aim to field three teams. With our first team in the top division, we are looking to complete the pathway and have a team in each division. This will be an outstanding achievement for the program in just our fourth year.

Women's Ones

Our Ones finally tasted the ultimate success. After falling at the final hurdle last season, we were set on making sure we didn't slip up this season. A little off season recruiting resulted in Queensland based, Japanese expat, Shiori Hoshino joining the club. After seven years in Townsville Shiori moved to Melbourne for work and we were fortunate she chose the Rams to be her new home. Shiori was a clear standout in the lead on the mound and in the field, she unfortunately suffered a shoulder injury at a tournament on the Australia Day weekend which limited her ability to play in the second half of the season. Testament to her dedication to the club, she focused on being ready for the finals and ended the season throwing a complete game in our Championship win. She also hit an impressive 0.800 leading to a club MVP award.

Ruby Dale took her game to a new level this season, both behind the dish, on the mound and with the bat, hitting an impressive 0.778 for the season. Leslie Anglin continued to be one of the best players in the league as the versatile athlete pitched, caught, played short stop and first base, making just 1 error for the season. In addition, she hit 0.735.

Our young guns continued to grow as players, with Kira Jansen, Claire Costa and Mackenzie Prentice-Evans shouldering the load on playing multiple games each week. Collectively hitting 0.339 across 86 At Bats.

Our young guns continued to grow as players, with Kira Jansen, Claire Costa and Mackenzie Prentice-Evans shouldering the load on playing multiple games each week. Collectively hitting 0.339 across 86 At Bats.

WOMEN'S PROGRAM

Women's Head Coach – Dean Anglin continued...

New Rams, Tiffany Ng and Tayla Wilmot quickly settled into our Ones and continued to earn their spots week in week out. Tayla who is new to the game showed the commitment that has seen her succeed on the hockey and cricket fields, and became a staple of our Outfield. Tiffany who is a little more familiar to the game was an asset to the team, playing most of the season at 3rd base.

All round, the team was dominant in Division Two, hitting a Team Average of 0.490, with an ERA of 5.90 from our four primary pitchers. We are looking forward to continued growth and taking the team to a new level in Division One.

Women's Twos

A new team for the Rams, our Twos also played in Division Two, filling a BYE that existed in the Competition. The team was entered in order to create more opportunities for players to play Primary Positions, like Mackenzie Prentice-Evans and Caroline Moustos pitching, Olivia Zurawel and Charlotte Jansen playing in the infield, Jade Nearly behind the dish and many more opportunities that came from the entry of this team.

Shout out to Nikki Hogan, Ildi Klein, Thi Pham and Penny Blyth whom between them steered the ship, each playing multiple position within the team and in most cases, playing multiple games to enable the team to take the field.

While it was a challenge at times to field a team, the benefits absolutely outweighed the challenges, and it sets us up nicely for next season having had a year with three teams.

Women's Threes

Our threes started the year strong and sat inside the top 4 after six rounds. Unfortunately, this team probably lost out somewhat following the entry our third team as the spread of players left the Threes short at critical games and a few crucial losses in the middle of the season, hurt the team's chance of playing finals.

Starting the season with a win against Williamstown was a great way to open the year, another win in round 5 after a couple of wash outs had the team 2 and 2, a few weeks later, a one run loss in a slugfest against Werribee (24-25), then a draw with Williamstown dropped the team to 6th after 10 rounds. The season then took another turn, with 4 wins in 5 weeks (1 wash out) the team was on the cusp of the top 4. Unfortunately, a loss in round 16 ended the team's chances and they rounded out the season with a 13-1 win over Fitzroy. An end of season result of 7 wins, 6 losses and 1 draw was a very good achievement for the group given the changes made during the season.

The mix of young and slightly more senior 🧡 players that amassed the most games in this team is testament to the environment this group creates, a welcoming team where fun always wins.

WOMEN'S PROGRAM

Women's Head Coach – Dean Anglin continued...

Amanda Mentiplay (17 2/3) and Bree Nicholas (14 1/3) shouldered the load on the mound, with Amanda's 17 innings pitched, 17 strike outs and a batting average of 0.474 leading to her being named MVP for the Threes.

Of the players that played more than five games in this team, Nikki Hogan (0.750), Penny Blyth (0.643), Fiona Kelly (0.632), Prue Foster (0.615), Mickayla Norman (0.583), Rebecca Asp (0.563), Thi Pham (0.5220) and Tayla Wilmot (0.500) all hit over 0.500 for the season. An impressive 0.601 collective average from this core group.

Summary

A super successful year right across the board and hopefully a great building block towards a sustainable women's program that allows every athlete to excel to be the best version of themselves they can.

SENIOR COACHES

Senior 2's Coach – David Land

The 2s season was certainly one to be proud of. Not only for winning a Premiership after 3 years, but for developing the players that will carry us forward into the future.

Craig Malthouse and I made a concerted effort to get younger and faster and feed our guys into the 1s with the belief that when called upon, they could contribute. Not only did the 2s provide players for the first side, but those players were key factors and contributors to the 1s very own Premiership.

During the season we used 24 players in the 2s, with 10 being under the age of 21 and 7 under 18. We did indeed get younger, and those younger guys performed very well. Will Hardy was with us for 4 games before earning a call-up and never looking back. Andy Land found himself in the 1s at the pointy end of the season and performed well. Lachlan Schumann dipped his toe in several times and provided defensive reliability in big situations and Tony Hemmerijckx forced the selectors hand by dominating in the 2s with a .676 batting average. These younger players have continued to grow and will be key Rams moving forward if they continue to work.

The Newport youth were surrounded by experience and role models who play the game the right way. Players with a 'Club-first' mentality who would put their own playing time aside to provide opportunities for teammates. Zac Seipolt was our unofficial captain. David Ninnis often offered his own at bats to younger players and Mason Condie agreed to having a DH, knowing that Andy Land needed ABs, even though Mason himself, had swung the bat well.

There is no wonder Mason is our MVP for a 3rd consecutive season. He also pitched the games of his life in the finals.

The side benefitted greatly by the return of Tyson Foreman and Troy Malthouse. Both players would provide steadying calmness and experience in the finals with both making key plays to help finish the semi and the grand finals. Sean Pengelly continued to be our top of the order spark. And Morgan Doty was our X Factor. Her professionalism helped get us over the line and close out both finals.

Hebert Rodriguez was a welcome surprise. He stepped up from the 3s and straight into the catching position. Having a rocket for an arm and a willingness to try new things to get better, Hebert became a real leader and slugger for us.

Trenell Hutchins took some big steps. I saw a maturing in T-Dawg this year and as the season went on, a real shift in focus. He was strong with the bat, and I look forward to seeing where he can take his baseball.

A big thank you to all the players that played in the 2s at some point during the season.

I would like to especially thank Craig Malthouse for being my Right-Hand Man again. I enjoy every game I get to share with Craig and look forward to many more.

SENIOR COACHES

Senior 2's Coach – David Land continued...

Unfortunately, Mace Poole suffered a season ending arm injury but that didn't stop him from continuing to turn up every week and offer support and expert coaching support for Craig and me. "We will see you at the first selection meeting Coach Poole."

Lastly, a huge thank you to Sean Arnott and the club for putting me in charge of this 2s group. It's been my privilege.

To work with Sean has been an education and we are so lucky that he is continuing to be involved next season.

As we move forward there is still much improvement to seek, but ultimately, it's up to each coach and every player to pull in the one direction. As a whole, I am confident we can do that.

SENIOR COACHES

Senior 3's Coach – David Asap

So, the philosophy behind the thirds this year was to create an environment that nurtured and developed the young players in the beginning of their senior careers, with the help of some more senior players to direct and guide them. So that they can get used to the pace of senior baseball and hopefully be better prepared to progress upwards through the ranks.

I firstly want to thank Ayden Ham and the rest of the 4ths, for putting the Club first and allowing this to happen, as I know it was a messy start to the year as we tried to figure it all out, and you guys got messed around most of all.

On-field, the team pretty much just did what needed to be done, week in week, out. The hitting was spread pretty much from top to bottom, with everyone having their moment to shine when it counted throughout the year. Impressively the thirds average nearly 10 runs per game, across the entirety of the season.

During the season, we had a core group of nine players, with a few cameos from the 4ths, week in week out. Sam Land and Lachie Ipsen started their senior careers with us, then we had a few players either just finishing or just emerging out of junior baseball, such as Ruby Dale, Nathan Blakemore and Joel Bernoth. Add to that a couple of handy middle infielders in Shiori Hoshino and Ben Lawrence, who joined us at various points throughout the year.

The youth was certainly balanced with a couple of older players, namely, me, Dave Gregurke and regular guest appearances by Dean Anglin...and then there was Jake Vanderline

It was exciting to see development in the group from the first game to the final out in the Grand Final win. The growth in confidence and how they attacked the game, was exactly what the 3rds team structure was designed to do.

Hopefully, everyone learned something and had fun along the way, we certainly have a Premiership medal each to look back on a great season.

SENIOR COACHES

Senior 4's Coach – Ayden Ham

This year the Nigel's, (Rams 4ths) took on another season of Rams summer baseball and did not disappoint. After a shaky first 5 weeks, we finally settled, and had our sights set on the 3-Peat!

We quickly got rolling and found there was another team on a 3peat as well. Round 17 we come up against Bonbeach and for the first time in the season, we had a loss which ultimately motivated us to "get-em next time."

During the year we had a few guys step up from the 5ths and have great seasons. Sam Aldenhoven was great this year and at one stage he was 8-8. Noah Darcy also stepped up and had 4 quality starts for us which was just awesome! We also had Liam Vicary-Lovegrove return after a time away from the club, and he fitted in with the Nigel's like he had been there from the start. We got to the semi-final and had everything to prove, so with a convincing victory over Fitzroy to book a spot in the big dance against Bonbeach, who went undefeated over the last 3 seasons. Luckily the Nigel's had a trick up their sleeve and Lovegrove got the start in the grand final. Liam went 7 scoreless innings, and we took the W 7-0 to cap off the season.

Then on our return to the Ramdome to find the 2nds and 3rds had also won made it a dream year to be a Ram.

Bring on Div1 and the Nigel's 4Peat. I would like to thank Andrew Bernoth and Roland Stott for scoring this year, it is really appreciated, thank you.

SENIOR COACHES

Senior 5's Coach – Roland Stott

It was an interesting season for the Fifths. The team was stable with a core group of 11 players for the season. We had a lot of players in their first few seasons of senior baseball, and it was great to see the improvements over the season. Technically this team was the Fourths for the first 3 weeks, until the club added a fifth team. We continued to play in the Div2 Fourths up to round 7. Assessment of the competition over the first 3 games played by Hammy's team in Div 4 North concluded that it was a weaker competition than the Div 2 Fourths. The fifths started playing Div 4 North from round 8.

The Team record split between the 2 sections:

- Div 2 Fourths – 2 wins 3 losses 1 draw 1 bye
- Div 4 North – 3 wins 7 losses 1 bye. Finished 6th out of 9 teams (with the help of 3 wins by Hammy's Team).

There were some excellent individual performances, including the following Trophy Winners:

Peter Fraczek – Most Valuable Player: Peter was one off the best batters and scored the most runs and had the 2nd most RBI for the team. In only his 2nd season, Peter took on the role of catcher, the toughest position in the field, for most of our games. Peter's good glove work and strong arm, slowed the opposition running game.

Noah Darcy – Best Batter: Noah had the best batting average .632, best On Base .781, best slugging .895, giving an OPS 1.676.

Paul Bergman – Most Reliable: Paul had the most RBIs with 17, 2nd best batting average, on base and slugging and had the most hits. Paul only missed one game.

The following are the Fifths plays of the year, or it could only happen in the Fifths:

Round 3: Noah Darcy pitched 2 innings, faced 7 batters for 6 K and 1 BB.

Round 8: Our first game in Div 4 North was to be at home against Greensborough. Newport was a washout, and we swapped the game to Greensborough. We travelled for our home game only to be told that as it was our home game, we had to supply the umpire. We had 10 players, so I did not field and batted myself fifth so I could umpire most of the game, Drew Donnelly umpired when I batted and was on base.

Round 9: Shori Hoshino pitched 7 innings, recording 12 K against the top team Mitchell Majors. New player Cameron Copland got hit on the helmet from the first pitch he faced playing for the Rams.

SENIOR COACHES

Senior 5's Coach – Roland Stott continued...

Round 12: Noah Darcy pitched 4 2/3 innings recording 13 K.

Round 15: We had a batting out of order, which luckily went unnoticed by everyone except me and the scorer.

Round 17: This was the Bergman family game. Paul Bergman played short stop, his son Lincoln played 3rd base, his daughter Elisha played 2nd base and his wife Mary was the scorer.

Round 18: Bruce Boucher's pitching was very efficient; he faced 14 batters, and required only 27 pitches, 24 strikes and 3 balls.

SENIOR SNAPSHOT

MASTERS

Master's Manager – Davis Long

After winning the Grand Final last season, the pressure was on to continue the good form. The Masters team remained consistent throughout the season and ended up finishing in what is now commonly known as “our spot...” 4th.

The team welcomed so new additions this past season, with James Little, Daniel Mitchell and Tony Schibeci joining the team. James, along with Craig Gorman, John Kus and myself, shared the pitching throughout the season, keeping teams to scores that allowed us to challenge during games.

The team finished the season with a winning percentage of 0.64. Whilst it was down on the previous season, it was still good considering the unavailability's and injuries throughout the season, especially post Pan Pac's. Despite these challenges the team always gelled well, and the comradery was as strong as ever.

Over the season, we put up some great performances including two tied games with Sunshine Blue, and a win over Williamstown who were both finalists. Once again showing our best performances were up there and very competitive. The semi-final saw us face off against the Essendon Bombers. We got off to a great start loading the bases in the first innings without an out, however, we were unable to convert these runners into a score. This trend continued during the game, with a few plays not going our way, resulting in a 10-0 loss. The scoreline was not reflective of how the game played out though.

Once again, I can't thank Shane Comben, Kaylene Pengelly and Ben Portelli Snr enough for their support off the diamond. Between setting up, scoring and cooking, Monday' nights ran without a hitch and their efforts are greatly appreciated. A big thank you to those club members who helped with umpiring as well.

This season's Greg Griffiths, “Spirit of the Masters” Award was presented to Craig Gorman. Crackers is an absolute work horse when it comes to pitching. He is happy to pitch week in week out, start or relieve, you name it, Crackers is ready for the challenge. On his day, he still a quality pitcher who can shut down a line up full of strong hitters.

Already looking forward to the 2023/24 season.

SENIOR AWARD WINNERS

Senior 1s

Batting Award – Alan Ortiz
Best Defensive Player – Dean Malthouse

Senior 2s

Most Valuable Player – Mason Condie
Best Offensive Player – Tony Hemmerijckx
Best Defensive Player – Morgan Doty

Senior 3s

Coaches Award – Lachlan Ipsen
Best Offensive Player – David Gregurke
Most Improved Player – Ruby Dale

Senior 4s

Most Valuable Player – James Early
Batting Award – Joshua Walshe (0.478)
Most Improved Player – Liam Vicary Lovegrove

Senior 5s

Most Valuable Player – Peter Frazcek
Batting Award – Noah Darcy
Most Improved Player – Paul Bergman

Women's 1s

Most Valuable Player – Shiori Hoshino
Batting Award – Ruby Dale (0.778)
Best First Year Player – Tayla Wilmott

Women's 2s

Most Valuable Player – Nikki Hogan
Pitching Award – Mackenzie Prentice-Evans (1.43)
Most Improved Player – Thi Nguyen

Women's 3s

Most Valuable Player – Amanda Mentiplay
Batting Award – Prue Foster
Most Improved Player – Jade Neary

PERPETUAL AWARDS

Most Improved Senior Player
Anthony Hemmerijckx

Reg Simpson Memorial Trophy
"Best Junior Playing Seniors"
Will Hardy

Best Player / Club Person
Women's Program
Ruby Dale

Currie Memorial Trophy
"Best Club Person"
Kevin Hemmerijckx

Greg Griffith Award
"Spirit of The Masters"
Craig Gorman

Jack & Beryl Bunting Award
"Men's 1s MVP"
David Tongue

Best Club Person
Women's Program
Mary Bergman

Mackrell Trophy
"Best Player Clubman"
Alan Ortiz
