Sub-Committee Nominations

The workload to successfully manage all aspects of the club is always increasing, therefore having well motivated and passionate members on structured sub-committees is an important part of sharing the workload as well as effective management. If you would like to nominate for any of the listed sub-committees, please complete the attached form.

Continued success of our on-field programs from t-ball to masters, an inclusive family culture and continued improvements to our facilities inside and out takes a team of volunteers. Work is well underway towards making this summer a memorable one, so keep an eye out for details and how you can get involved.

Please support your club and ensure the momentum continues by attending this meeting.

Yours sincerely

Caron Condie
Club Secretary
